Boat Dock Permission for Minors

While at Camp, you will have access to a small boat harbor that has a variety of watercraft. With parental permission, children 7 through 17 may take a fun-yak, rowboat, canoe or pedal boat out on their own. Please list the children who have your permission to use the watercraft. In addition, please provide a letter giving you guardian responsibility for any child who will be your guest.

***All Children under the age of 7 must be accompanied by an adult.**

***Please consider these options carefully. Some watercraft require greater skills/physical ability than others. The main office can update your consent during the week.**
