**Vehicle Registration**

Sierra Camp has limited parking in semi-rugged terrain. Please complete this section to aid us in the event that a vehicle is blocked and needs to be moved. *Bringing more than one vehicle per family is **extremely discouraged**.* We have a few charging stations for electric vehicles on premises. There is a \$20 fee for each time that you charge while at Camp. Please visit the office to pay the fee. We ask that all fully charged vehicles are moved to the parking lot, to allow for other guests to utilize our stations.
